

PayPal transactions to Language-Fitness.com

Step 1 – log into PayPal account

Step 2 – Click on Send Money tab. Enter email address and amount. It is \$35.00 for a language assessment. Amount shown in example below is not correct. Check off box for paying for goods or services. Fill out as indicated with rima@language-fitness.com as the recipient. When complete, click on Continue.

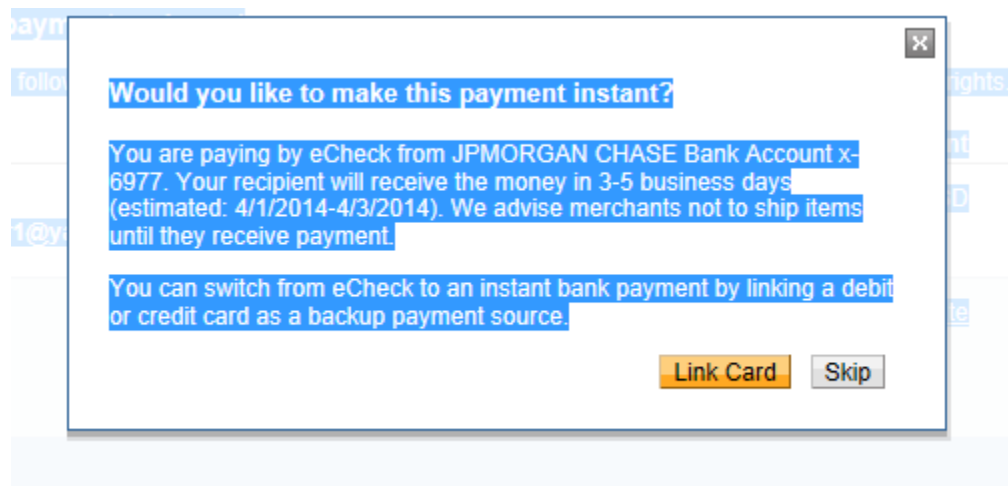

Send Money

You can pay for purchases and services or send money to friends and family.

The screenshot shows the PayPal 'Send Money' interface. At the top, it says 'To (email or mobile phone)' with a text input field containing 'rima@language-fitness.com'. Below that is the 'Amount' section with a text input field containing '5.00' and a dropdown menu set to 'USD - U.S. Dollars'. The main section is titled 'What are you sending money for?' and has two radio button options. The first option, 'I'm paying for goods or services', is selected and highlighted in yellow. Below this option, it states '\$0.00 USD fee. Free for you. The seller pays the fees.' and 'Purchasing goods? Your eligible transactions covered with [Buyer Protection](#).' The second option is 'I'm sending money to family or friends'. At the bottom left of the form is a yellow 'Continue' button.

Step 3 – If you are not linked with a credit card, you may get this prompt. Review information for e-check or immediate payment. E-check will result in a delay of 3-5 days for payment to clear which means there will be a delay in getting questionnaire or any requested services. If payment is received immediately, we will promptly contact you.

The screenshot shows a modal dialog box with a close button in the top right corner. The text inside the dialog is as follows: 'Would you like to make this payment instant?' followed by 'You are paying by eCheck from JPMORGAN CHASE Bank Account x-6977. Your recipient will receive the money in 3-5 business days (estimated: 4/1/2014-4/3/2014). We advise merchants not to ship items until they receive payment.' Below this is the text 'You can switch from eCheck to an instant bank payment by linking a debit or credit card as a backup payment source.' At the bottom right of the dialog are two buttons: a yellow 'Link Card' button and a grey 'Skip' button.

This page shows the transaction before completion.
